# Frankfort Castle SHD

I will be holding a Public Zoom Call on the proposed Frankfort Castle Strategic Housing Development.

**Date:** Tuesday September 21st

**Time:** 7.00pm

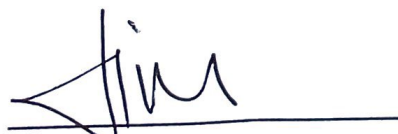

**Where:** Zoom – email [joleary@cllr.dlrco.ie](mailto:joleary@cllr.dlrco.ie) to register

The proposed development comprises 115 units in 3 blocks ranging in height from three to five storeys on the Frankfort Castle site. A two-level basement is also proposed below Block A to provide for car parking – 67 spaces plus a further 10 on a surface carpark. There will be 45 one bed units and 70 two bed units. The development also includes a crèche (c.80sqm), waste storage and bike parking facilities (136 spaces plus a further 40 for visitors). Details are on [www.frankfortcastleshd.com](http://www.frankfortcastleshd.com)

The purpose of the Zoom Call is to outline the application in a bit more detail and give some advice on how to make a submission/objection to ABP. The application was lodged with An Bord Pleanala on 03/09/2021 and submissions must be made within a five-week period.

As always please feel free to contact me on 086 8186732 or email [joleary@cllr.dlrco.ie](mailto:joleary@cllr.dlrco.ie) if there are Council issues you feel I can help you with.

Regards

Clr Jim O'Leary
